ARCHITECTURE & CONSTRUCTION

OUR MISSION

OUR MISSION IS TO CONTRIBUTE TO THE BENEFIT OF OUR EMPLOYEES AND SOCIETY THROUGH HIGH QUALITY AND INNOVATIVE PROJECTS THAT WE TAKE ON EVEN UNDER CHALLENGING MARKET CONDITIONS.

We implement our mission by virtue of being reliable and dynamic in rendering our services and by making a visible difference in each market sector where we are active.

Our vision is to reach leading positions and to be ranked among the top 10 companies in the sector.

We aim to be a unique and dynamic business in each target sector by maintaining sustainable growth.

WHO WE ARE

Arc Construction founded in Baku in 2008

We specialize in design and fit-out works of shopping centers, offices, hotels, multifunctional complexes, high-rise buildings, luxury villas, boutique shops, public buildings, residential buildings, etc.

Arc Construction's competitive advantage is based on its high engineering capability, extensive experience, high-quality services and outstanding solutions, which have made the company the preferred general contractor for many local and international investors. Since 2008 Arc Construction has successfully completed around 30 projects. Arc Construction aims to keep a well-balanced and diversified activities.

ARC CONSTRUCTION

OUR SYSTEM OF MANAGEMENT ENSURES THAT CONTRACTUAL OBLIGATIONS TOWARDS OUR CLIENTS ARE MET AND OUR OBJECTIVES ARE ACHIEVED.

We interact with our clients actively and identify their needs. Throughout the process of teamwork based cooperation we demonstrate our expertise and professionalism. Our ambition at all times to the steady and ongoing improvement of our targets. We achieve this by means of new ideas, entrepreneurial attitude, loyalty and a genuine commitment to excellence.

WE INTERACT WITH OUR CLIENTS ACTIVELY AND IDENTIFY THEIR NEEDS.

Throughout the process of teamwork based cooperation we demonstrate our expertise and professionalism. Our ambition at all times to the steady and ongoing improvement of our targets. We achieve this by means of new ideas, entrepreneurial attitude, loyalty and a genuine commitment to excellence.

The project team ensures that the expertise required for the project is deployed for the benefit of the client.

ARC CONSTRUCTION

We acknowledge our obligation to health and safety and environmental protection and support clients in meeting their obligations in these fields.

The services we offer are a targeted response to the requirements of the market. With the continuous expansion of our range of services and the development of alternative contractual models, we offer our clients added value and thereby strengthen our market position.
